Election Of New Officers

Officers to be elected:

Vice President
Secretary
Treasurer
Newsletter Editor

We will be voting Thursday night for our 2007 Officers.

Program

We will break into small group discussions about photo prints brought by club members. There would be no judging, no awards, no need to mount - just discuss.

Progress is being made on the new LPS website and we hope to open it by the end of the year. If you have winning photos from any of the LPS monthly competitions and would like to post your work on the LPS website for all to see, please email your image to Gordon Buck at gordonsbuck@hotmail.com. Please identify the image, title, your name and month that it was a winner. Please format the image file similar to the format used for the LPS digital projection contest before emailing it.

Member News

Field Trip Report

By Elizabeth Mangham

Because of the fast approaching Holiday season, there are no field trips planned for the last weeks of the year.

It has been great fun planning and organizing field trips for you the last two years. It is now time for **you** to step up and take a turn planning the field trips. Remember that if **you** don't do it, no one will and that would be a great loss to our club. My objectives have been to educate by empowering our experienced members to assist newer members in learning how to take great photographs. And, secondly, to provide opportunities for all members to have fun shooting together. As field trip chairperson, you may want to set other objectives, but perhaps that gives you a vision of what the field trip chairperson does.

My personal thanks to each person who participated and especially to those who helped the newer photographers learn.

- DECEMBER EXHIBIT AT ART'S COUNCIL

November 28 - 30, 2006 - You will have three days to get your photos to the Art's Council. Rachel will hang the exhibit on Dec. 1.

- **DECEMBER 7, 2006** (Thursday) - OPENING RECEPTION AND CHRISTMAS PARTY FROM 6:00 - 8:00 PM.

- **December 29, 2006** - Pick photos up from Art's Council. As always, if you can't pick your photo up on that date, please arrange with someone to pick them up for you.

There is no theme for the exhibit. You may submit whatever you choose and Rachel will pick and choose so that there is a cohesiveness among all of the chosen photos.

If you have any questions, please email me at xmoe@bellsouth.net (please put LPS in the subject line).
