Aaron Hogan

Of Eye Wander Studios

Baton Rouge native Aaron Hogan has been shooting weddings and portraiture for 7 years during his college years. Now owner of a full service wedding, event and portrait photography and videography company Eye Wander Photo, he photographs over 40 weddings annually and stays on top of current trends in the industry with custom made flush albums bound in Italy. His favorite subjects to photograph are those who aren't afraid to get a little dirty or wander into abandoned buildings to chase the light within.

Thanks to Aaron Hogan for these photographs.
